ALMA MATER

Alma Mater, hail to thee;
Everyone sings praise to thee
Thou art built on faith;
We have faith in thee.
Here we stand, now, side by side
Singing praise to thee —
Great Presbyterian,
Hail to thee!

In appreciation and recognition of his unobtrusive but sincere interest in the individual ... his varied and interesting background ... his refreshing and lively personality ... we dedicate this work to John Sobey Glover.

Scabbard and Blade

THE NATIONAL SOCIETY of Scabbard & Blade is an honorary military organization. The purpose of the society is to stimulate interest in military science. Selection for membership is based on outstanding leadership and proficiency in all phases of military activity. Those cadets tapped for the honor each year come from military students of the junior and senior class. As well as sponsoring the annual Military Ball, the largest dance on the college social calendar, these select men also lead the campus drive for the March of Dimes.

THE ROTC RIFLE TEAM had another good year, taking second place in the Western Carolina Conference match. This conference includes Davidson, Furman, Wofford, and Presbyterian. On the national scene, we placed twenty-third out of eighty schools in the William Randolph Hearst Trophy Match and twenty-fourth place in the Army ROTC school match, which includes the Navy and Air Force programs. In postal matches we won seven and lost nine.

Chambers and Godwin

SINCE ITS ORGANIZATION in 1924 at the University of Florida, the Blue Key National Honor Fraternity has grown to include chapters at many colleges and universities.

Chartered at Presbyterian College in 1932, the Blue Key has yearly initiated outstanding upperclass leaders and continued the tradition of service to the college community.

During the psat year the fraternity has continued its exchange programs with Wofford and Newberry Colleges to encourage better sportsmanship. Among other programs, the PC Chapter sponsored the founding of a senior academic fraternity, Sigma Kappa Alpha, to supplement a similar sophomore society established last year and to foster increased interest in scholarship.

Also, upon the request of President Brown, the Blue Key has been able to serve the students more directly by studying campus problems as a Student Public Relations Committee. The response of the students and the co-operation of the administration have both contributed to the success of this program.

FROM NORTH CAROLINA TO FLORIDA the choir sang its theme, "The Apostles' Creed" in many of the our Presbyterian Churches. Carrying with them their unique fellowship, this theme was expounded through the music of the ancient churches, the Reformation and the moving Negro spiritual.

The choir contributed to the worship at the General Assembly of the Presbyterian Church U. S. held in Atlanta, Georgia.

Through its program of sacred music the choir has continually been an inspiration to congregations throughout the Southeast.

Blue Stocking

THE BLUE STOCKING, Presbyterian College's weekly student newspaper attempts to present the news in an attractive and interesting package with the emphasis on student affairs.

Under the leadership of editor Roger Godwin, the Sock, as it is affectionately called by staff members, has continued to maintain the high standards that have characterized the publication since its inception in 1920 under Carl M. McMurray.

This year the Blue Stocking was again named "All-American" by the Associated Collegiate Press. This marked the third consecutive semester that critics of the ACP, who are recognized as the best judge of college journalism in America, have conferred upon the Blue Stocking their highest stamp of approval.

IT IS INDEED A PLEASURE for the staff to present to you this year's edition of the PAC-SAC. The staff has worked hard to give you a book that is completely different from any of its predecessors, and we hope that you will enjoy the changes we have employed.

To those students who have been unintentionally left out or misplaced in this PAC-SAC we would like to say we are sorry, but it is impossible to have everything exactly right in a publication this large.

The book is now yours, I hope you enjoy it.

THE INTER-FRATERNITY COUNCIL is the governing body of the six national fraternities and sorority at Presbyterian College. It is also the controlling body of all the social activities that take place on the campus during the year. The council also regulates the rush program which introduces non-fraternity men to the social life of the Greek letter brotherhood.

The council this year has introduced a new rushing system that limits a fraternity to fifty members. It is hoped that in the near future that several other fraternities will be chartered at Presbyterian as a result of this limited number.

The council this year sponsored the Fall Dance with music by Tony Torre. Also the Christmas Dance with the College 'N' orchestra and the Spring Dance.

Alpha Sigma Phi Fraternity was founded at Yale University on December 6, 1845. Alpha Psi Chapter was established on this campus in 1928. Stone Gray and Cardinal Red are Fraternity colors and the Talisman Rose is its flower. Alpha Psi Chapter has had an active social schedule during the past year. The Chapter has had several stag-dinners, a Parent's Day Party, an open-social, a Fraternity Rush Smoker, a house party, a Valentine's Day Party, the annual Hawaiian Holiday, and the Black and White Ball, which is a formal dance, held every year in Charlotte, N. C., in connection with the other near-by Chapters.

Alpha Psi Chapter is proud of its new pledges who have undertaken the remodeling of the back rooms in the Fraternity suite. The Chapter is doubly proud of its seniors, four of whom have been tapped into the Blue Key National Fraternity and have also been named Who's Who.

The highlight of the year was the renovation, remodeling, and expansion of the fraternity lodge. All the labor was done by the brothers and pledges, including a new ceiling, a new tile floor, a completely new color scheme, and several brick planters.

We have had our very own socials and after-game parties. Prior to remodeling, we enjoyed the music of P. S. Plair and his combo during the Parent's day festivities. Homecoming came in the midst of the work, but nevertheless, we pushed back the tools and enjoyed the music of the "Jelly-Jumpers", of Wilmington, N. C. Then came pledge day and after a successful rush, we had our closed Christmas pledge dance. Our Wild West Social ended the first semester with a large number of alumni returning to enjoy the social.

The Old South Ball in Columbia, South Carolina, was the highlight of the second semester. Returning to school after a terrific time, the southern gentlemen settled down to academic endeavors, until spring was fully upon us. To round up the year, socially, the pledges gave the brothers their annual party and in return, the chapter honored the graduation brothers with a What-Ya-Call-It party, combo and all!!!

Mu Chapter began another successful year by winning the Intramural football championship and the Homecoming decorations award. In October a Scholarship Dinner was held for the fraternity and six members of the faculty who were presented certificates of merit. During Parent's Day an informal tea was held in the fraternity suite for visiting parents. After an active participation in rush week, the Pikes pledged ten outstanding men. Just prior to Christmas Holidays, an annual Christmas party was held for children in the baby cottage at Thornwell. A Barefoot Ball was held in February in honor of the new pledges, and on March 1, a Founder's Day banquet was held in Columbia in conjunction with Wofford and University of S. C. Chapter. In April a big Pi KA weekend was held with three big dances over the weekend. To end the year, a stag supper was held and awards were presented to the outstanding Brother and Pledge.

The PiKapps got their year off to a very good start with the Homecoming activities. To celebrate winning second prize in the fraternity display contest, we rented Peck's Mary Lou Ranch and had our first party; the first of many. For our open social at the beginning of rush season, the PiKapps "socialized" to the music of Charlie Miller's combo. Shortly after the smoker, we pledged a group which was small, but far above average.

We had only a mediocre season in intramural. We also spent a good bit of time working on the Fraternity room.

At Christmas and again for the Military Ball, the PiKapps got together at Peck's for dancing. Almost every weekend in the Fraternity room, an open party is held. At the annual fete honoring the pledges, they were awarded with their pledge paddles. Plans are already being made for the weekend of the Spring dance, and especially for the PiKapps big dance of the year, the Shipwreck Ball. This dance will, as always, be the highlight of the Fraternity's season.

Under the able leadership of Don Chapman, '58-'59 was a successful year for Zeta Theta in all facets of fraternity life. Twenty out of twenty-one rushees were pledged during the rush week.

The construction of a patio has occupied a large part of our time as we have tried to beautify the grounds as well as take advantage of all available space.

The pledge party and the Christmas Dance weekend were the highlights of the social season. The music was provided by Bobby Plair's combo. Homecoming and Parent's Day saw the Sigs having a party.

The year '58-'59 will be remembered as a year of quiet parties because of the new phone, big old boys and head packers, and a very happy time.

This year for the first time the PAC-SAC presents a beauty section, and it is indeed a pleasure to present lovely Miss Martha Brannon as our Miss PAC-SAC for 1959. From the sponsors turned in by the various organizations three judges, William Shields, Irvin Montgomery, and Ben Hammett, picked seven girls, and from these Miss Brannon was chosen. Other than being chosen Miss PAC-SAC, Martha has reigned as Miss Southern 500, South Carolina Peach Queen, Miss Carolina Press Photographer's Queen, Miss Bishopville, Miss Limestone, Miss Merry Christmas, and National Dream Girl of Pi Kappa Alpha. Martha is an art major at Limestone College and plans to continue in this field after graduation. SPORTS

Coaches

Coach Frank Jones arrived at PC in 1957 to begin his college coaching career, bringing with him a reputation as one of the outstanding coaches in Georgia High Schools, especially in Decatur where in eight years, six of his teams won state championships. Last year numerous people wondered if Coach Jones could fill the coaching job given him. His first year, due to inexperienced men, a new system, and many other problems, was a dismal failure, but due to his strategic, alert coaching efforts PC won the Little Three Championship hands down, and for his comeback Coach Jones was named South Carolina's "Coach of the Year".

Coach Clyde Ehrhardt, a center on the University of Georgia bowl teams of the early 1940's, pro-football player with the Washington Redskins, give him the knowledge of being an outstanding line coach. The fired up, determined linemen of this year's team showed a job well done, and proved the capabilities of Coach Ehrhardt.

Rounding out the coaching staff are backfield coaches Courts Redford, with his assistant Mitch Mavromat; line coaches Jim Neal and Bill Bowman. Every alumni, student, professor, and friends of the college can truly boast of PC having one of the best football coaching staffs in this state.

East Carolina 16

The Presbyterian College Blue Hose presented a hard-running and speedy bevy of backs to trounce the East Carolina Pirates 24-16. The running of halfbacks Bobby Pate, John Lucas, and Tony Benson, coped with the sharp defensive play by center Mac Copeland served to give the Hose their first win since 1956. The first quarter was scoreless, but on the second play of the second quarter Lucas took a handoff from quarterback Bob Waters and sped around left end for 21 yards and a touchdown. The point try failed. Moments later Co-captain Benson intercepted a Ralph Zeshring pass and streaked 55 yards to pay dirt. Again the try for extra points was unsuccessful.

The Blue Hose opened up a potent ground attack in the third period taking the ball on their own 25 and driving all the way to EC's 5, where fullback Matthews plunged over. The try for the point was blocked. With the Blue Hose third and fourth units now in the game the Pirates began to move the ball after taking the kickoff. Bob Perry scored both the East Carolina touchdowns.

Lenoir-Rhyne's only score came on a freak touchdown run by Billy Ackard. Mac Copeland, in the closing minutes of the game, intercepted a pass at midfield to give PC the ball and stop the final scoring threat of the Bears.

Davidson 7

Three costly fumbles and 80 yards lost by penalties told the story as the Presbyterian eleven were upset by their "city-cousins" from Davidson 7-6. The Hose played a fine game, but constant bad breaks kept them from taking their fourth straight. The Hose behind the hard running of Pate, Hill, and Benson, moved the ball almost at will after the kick-off to the ten-yard line. There Waters tried a pass, but had the ball knocked out of his hand, and the Wildcats recovered. Another drive carried to the five, and Benson, whose running was a feature of the night, had a fumble intercepted in mid-air. After a pass from Waters to Vastine, Hill went over from the two. Waters pass for the much needed two was deflected. Late in the fourth quarter a glimmer of hope was found when Waters found Pate in the end zone with a pass, but the speedy halfback was unable to hang on to it. A heartbreaker.

Wofford 14

Halfback John Lucas took a Charlie Bradshaw pitchout in mid-air and raced 48 yards untouched in the third period for a touchdown which proved to be the deciding factor in PC's 18-14 victory over the Wofford Terriers, before some screaming 6,000 spectators. Lucas who was outstanding throughout the evening was something to watch, but it was some fired-up PC linemen like Jon Vastine, John Firby, Bill Schofill and all the rest which provided the spectacle, and the deciding edge in this well-fought battle.

P. C. 34

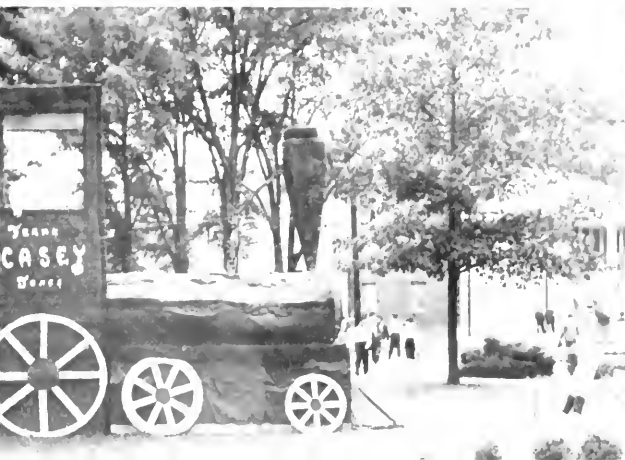

Elon 6

Presbyterian combined a blazing offense with staunch defense and completely smothered the Elon Christians, 34-6, much to the delight of some 4,000 Homecoming fans. The first quarter ended in a scoreless tie, but in the beginning of the second Bobby Pate took off for 46 yards and paydirt. Water's pass to Leahy was good for the two points-after-touchdown. After Pate and Hill had scored again, the Blue Hose reserves took over. On the ensuing kickoff, halfback Dave Morean took the ball on the 10 and raced some 90 yards to score. Later in the game freshman Bill Ogden intercepted a pass and raced 40 yards to the three. Joe Nixon sneaked over from here. Extremely fine defensive tactics were shown by tackles Schofil, Walker and Shrigley, while ends Gardner and Vastine, along with quarterback Nat Cole, stood out brilliantly in their defensive chores.

P. C. 6 Tampa 18

A potent Tampa passing attack led to the downfall of the Blue Hose in Tampa. Although the PC'uns played their usual fine game they were unable to bring this one back. Bob Pate who led all individual offense for the night with 88 yards was the big man for the Blue Hose's touchdown drive. Halfback Dave Morgan scored the lone Presbyterian TD on a three-yard run. The try for the PAT was unsuccessful. The Hose fought gamely with one other main penetration when they moved the ball to the Tampa three, but were unable to move it on across.

P. C. 14 Catawba 14

The Blue Hose met a fired-up Catawba team in Salisbury, N. C., and were held to a 14-14 tie. The Hose went into the game as favorite, but Catawba, who has proved their ability as giant killers held the Hosemen to the deadlock. The game proved very disastrous for PC because injuries were inflicted on key Hose players. Bill Hill scored the first TD, while halfback Pate made a brilliant shoe-string grab on a pass from Waters for the second. The game was played before a small crowd of wet fans.

P. C. 0 Citadel 34

An injury-riddled Blue Hose eleven felt the unleashing of the Citadel's best offensive showing in two years in a 38-0 thump before a jubilant Parent's Day crowd of 12,700 in Charleston. The Hose were severely handicapped due to the ailments of some 13 PC players including halfbacks Pate and Benson. The Cadets scored at least once in every quarter in running up the most convincing victory in the 17 games the teams have played under Coach Eddie Teague. The Blue Hose made only two threats. Both of which came in the second period. Freshmen guards Cecil Drake and Billy Ogden showed considerable progress for Coach Frank Jones' charges.

P. C. 42 Appalachian 0

Six players got in the touchdown act as PC tallied twice in each of the final three periods to smash Appalachian 42-0 before a crowd of some 3,000 Parent's Day fans. Halfback Benson smashed a yard to start the rout. Waters hit Dave Morgan on the goal line for the second —Hill raced 42 yards to set up the score he made on the next play—John Lucas and Bob Matthews bullied their way over the goal line for scores. For a fitting finale of a tremendous season, fifth string quarterback Pat Malone hit freshmen Bob Sherill for the final TD. It was all over.

Good Golly Moses, Clyde, we've scored again!

P. C. 22 Newberry 0

PC whipped Newberry here 22-0 for undisputed possession of the South Carolina Little Three Football Championship and the right to gain possession of the much coveted Bronze Derby. After Bill Hill scored, a blocked punt by big Bill Schofill in the end zone with Billy Ogden recovering, and Fullback Bobby Matthews plunging over for the final tally provided this decisive win over the Newberry College Indians. The Blue Hose were kept out of trouble all day by the harsh and unmerciful tackling of tackle Bill Schofill, and the skillful running of halfback Pate, who averages 12.5 yards for seven carries.

A Great Year

It has been a year of acclaim for the Blue Hose Football Team. Coach Frank Jones won accolades as South Carolina's "Coach of the Year" for 1958, and similar honors in the NAIA Carolina's District for his outstanding football comeback. PC halfback Bobby Pate was voted Little Three "Back-of-the-Year" and tackle Richard Shrigley "Lineman-of-the-Year" for their parts in Presbyterian's Little Three Championship role.

Sullivan, Capt.

The Blue Hose finished their season in a blaze of glory, winning 6 of their last eight games, and ended by trouncing highly touted Belmont Abbey, bringing them from the unbeaten ranks. It was a fitting climax for Coach Courts Redford's final season here at Presbyterian. Guard Bill Sullivan closed out his final season on the hardboards here scoring 264 points and having a 14.7 points per game average; Bob Stratton finished with 253 points and a 14.0 points per game average; Ken Caswell finished with a 13.0, Ralph Chambers a 12.6, Sonny Wells with an 8.5, and Mickey Long with a 7.4 points per game average. Wells and Long led the rebounding department with 151-133 respectively. PC entered the Little Four Tournament with a 4-2 conference record, good enough for a share in the regular season championship, but, having two extremely cold nights scoring managed to finish second in the tournament.

Although the winning season failed to produce the Little Four Title, the Hosemen saw star guard Kenny Caswell chosen the conference's Player-of-the-Year.

Famed coach, Lonnie McMillan, after 36 years of continued service, retired this year. He was replaced by Vic Spooner as head mentor of the track team. The team is captained this year by senior, speedster Ed Messer. The team has done well for itself, though lack of depth has hampered them considerably. Freshmen distance man David McIntosh has shown up remarkably well. Others participating are Gordon Stanley, Jon Vastine, Billy Benton, Bill Hill, Paul Arrington, Bob Waters and state broad-jump champion Curtis Linder.

BASEBALL

A twenty game schedule faces the Presbyterian College baseball team this season. Coach Ehrhardt, in his second season as head baseball coach, depends heavily upon the big bats of co-captains Tony Benson and Paul Chastain, plus the pitching of Bill Dobbins and Harvey Blanchard. The Blue Stockings began this spring with a spirited ball club. As this book goes to press, they have proven themselves to be constant hustlers and vigorous competitors. Other men on the team are Ted Leahy, Wayne Godfrey, Ray Hodge, Ed Jackson, Pat Malone, and Ken Nix.

Senior, captain, Jim Shakespeare, and nationally ranked Harry Hoffman carry Coach Jim Leighton's strong tennis team into this season. The rise of several newcomers make the Blue Hose one of the finest tennis squads in the south. These new men are Tom Elliott, Dave Greenslade, Ed Caviness, Bobby Daniels, and Bill Stone.

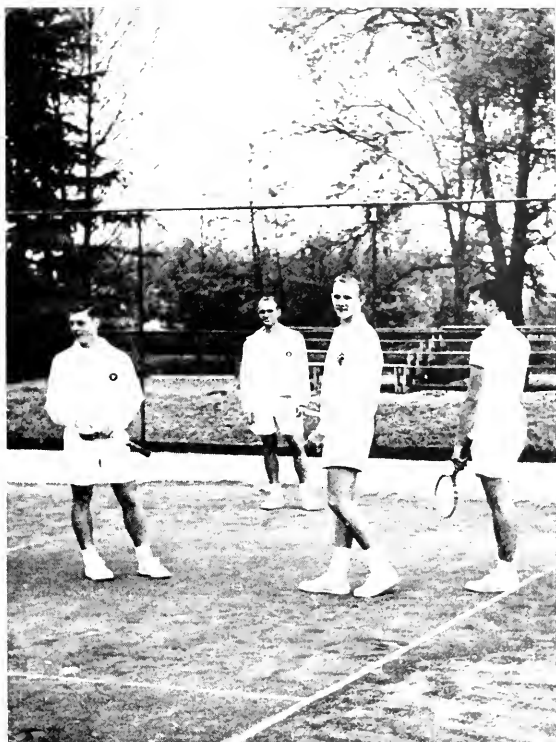

Although Shakespeare was upset in the Number 2 games of the State finals, P.C. captured its 12th consecutive State Championship, with Harry Hoffman the Number 1 singles champion. Hoffman and Shakespeare blended talents to win the Number 1 doubles championship.

GOLF

The Blue Hose linksters, led by captain Al Copelan, began the season with Copelan and Sonny Bell as the only returnees from last year's squad. However, new men such as Max Cliburn, Jack Shawn, Frank Sells, Walt McConnell, and Charlie Morris have made the golf team one of the finest in the state. Coach John Stevenson is very well pleased with the results so far of this year's team. With more playing experience, these men should become the top golf team in the state.

INTRAMURALS

The students in general get a crack at sports through the Intramural Program sponsored by the Student Christian Association. Under the direction of Student Director Irving Montgomery and Intramural Chairman Larry Wood, the program this year reached almost unparalleled heights. Teams are formed among the fraternities primarily, and independent ones. They compete in touch-football, basketball, volleyball, softball, track, and swimming

From the Editor . . .

When looking back over the past year and all the events that have taken place, I wonder if many of them were not left out of this year's PAC SAC. The staff certainly hopes that they have captured many of the events that will remind the viewers of the past year in years to come.

This has been quite a fascinating and difficult year for both the staff and the editor as we were all new to yearbook work and working with each other. The motto seemed to be not to sweat a darn thing until the last minute because any sweat before took all the fun out of the work.

As the school year began, we all knew that this would be a year of changes as far as the PAC SAC was concerned. We wanted to try and change the book so it would be more interesting for you, the student. How could this be done?

After much thought and discussion, we decided to use a design of blocks throughout the book and break the different sections with cartoons because it had never been done before and we felt it would add the much needed life to make the PAC SAC.

All was fine and good until one day there came a call from down the plaza. Mr. Hammet and Mr. Campbell had decided that the book had to be cut sixteen pages from last year. How in the world could this come about and there still be an annual? After two hours of hearing how poor Old P.C. was I had to go along with them to keep the place from going broke. So with a cut of sixteen pages and a staff that was hilarious, I started.

My staff consisted of my roommate, Henry Tindel and what a fanatic he was. His best idea was to leave out the faculty all together and some of the buildings. This would leave more room for snapshots. Good idea!

Then there was dear old Alice Embry, the boy with ulcers who worried about what the faculty would say and who loved to call Bill Shields, Shields and that just didn't work.

Then came the big "Budda" the man who kept walking around saying "It can't be done—It can't be done" and by the way if your picture does not appear in this publication, please check the trash can in the washroom of the Douglas House. It was done!

One of the most gungho members of the staff was Joe Harden, the military editor. He had no trouble at all with his section because he knew everybody that donned a military uniform. I feel sure that if Joe ever goes into battle he won't last long because your enemies usually don't like to tell you their names or shake your hand.

The most unwanted member of the staff was the fraternity editor, Warren "Buster" Rollins. All he could do was look at pictures and laugh and you can't put out a book doing that. He did make quite a few trips to Charlies, however, so all in all he was a good old fellow. His famous saying was "I will put my fraternity section up against anybody." He copied.

The "... little man ..." was my favorite. He loved to draw and make fun of all the animals on campus and say bad words in a deep voice. What a head of hair he had!

Ace Mathew, the other big chief of this book beside myself, did a great job as business manager until he started getting too many ads for the schools own good. Peggies place—Rome, Ga.?? Ace, how could you do it and you are pinned too?

My sports editor, Billy McElveen, was just too much big business. He was the leader of the Big House gang so that took all his time. He did manage, however, to get his copy in on time and get his mother's picture in the book so o. k.

Lonnie Love was something but right at the moment I don't know what. All he could say was "You aren't Willie", and then laugh like a fathead. Boy, he was lazy. Give him credit for all the mistakes.

I have cut my staff pretty bad but after all said and done they were all just great. I have never seen a bunch that cared more for an annual than they did. They just hope that you, the student, will enjoy the PAC SAC as much as they did preparing it.

Good luck to all of you.

Your editor,
Willie
